INTERNSHIP

Internship Studio

Website Design And Development Internship

Dec 2023-Jan 2024

I successfully completed a real-world project, creating an e-commerce website. This experience equipped me with practical skills in the field. I gained proficiency in HTML, CSS, JavaScript, Bootstrap, and learned the fundamentals of React.js during my internship, enhancing my skills in web development.

PROJECTS

Let's Talk Chat App

[click to visit](#)

- Developed a real-time chat application using the MERN stack (MongoDB, Express.js, React, Node.js)
- Integrated Socket.io for instant messaging and real-time notifications
- Engineered and deployed dynamic chat room creation features allowing real-time communication.
- Ensured a responsive design for optimal user experience across various devices

Restaurant MenuCard

- Developed a restaurant menu card using ReactJS
- Showcased ability to use modern technologies for designing user-friendly interfaces
- Enhanced dining experience with dynamic content and real-time updates
- Created a more engaging alternative to traditional paper menus
